James Patrick has presented to a wide variety of organizations including colleges and universities, professional trade organizations, private companies, international conferences and non profit organizations. Some of his appearances include:

TOPICS

James Patrick can speak on a variety of topics related to business and career development, personal growth, sales strategies, marketing techniques, branding, publicity campaigns, storytelling, entrepreneurship, photography demonstrations and much more! His energetic stage presence is matched by his unique ability to deliver applicable and relevant information to his audiences.

TESTIMONIALS

"A simple 'Thank you' is not adequate enough to convey how we feel about James' presentations at the SDA's Annual Conference. Our audience was inspired, laughing and participating all the way through. The knowledge, information and enthusiasm James shared really impacted the attendees and SDA looks forward to bringing him back!"

- Tami Griffin, CDFA, EDSymposim Chair

"James Patrick's presentation style was lively and interactive. He truly ensures he's speaking at his audience's level of expertise about the topic and made sure all the participants left with practical tips and useful knowledge."

- Jan Howard, PRSA, Southern Arizona

"James Patrick's presentations can be defined in one word; excellence. His conduct is one of the most professional I have ever witnessed."

- Gary Warren, FAS Network

"James Patrick was not afraid to get granular and detailed, giving real and actionable strategies that attendees could use right away!"

- Tom Spitz, ASMP Tucson President
